

Smithsonian Environmental Research Center Fellowships

NOW ACCEPTING 2024 APPLICATIONS

Deadline: Nov. 1, 2023

The Smithsonian Institution is committed to training the next generation of scientists to meet the environmental challenges of the 21st century. The Smithsonian Environmental Research Center offers a variety of fellowship opportunities to graduate and postgraduate students.

Smithsonian Postdoctoral Fellowships include the following benefits:

- \$57,000 annual stipend
- Health benefits
- Relocation expenses
- Research allowance

Multiple funding levels available for postdoctoral, predoctoral and graduate fellows! Details at www.serc.si.edu/fellowships

SERC has 18 laboratories conducting the following research:

- Biodiversity & Ecosystem Services
- Biogeochemical Cycles
- Food Web Dynamics
- Forest, Wetland & Estuarine Ecology
- Global Climate Change
- Historical Ecology
- Invasive Species
- Landscape Ecology
- Watersheds & Environmental Pollution

Interested candidates are encouraged to contact one of our Principal Investigators to discuss your research interest. Find one whose lab matches yours at <https://serc.si.edu/labs>
