

Drop-Off Instructions for Marshy Point Nature Center

Day-Of Contact: Tara Sill (SillT@si.edu)

Drop-off Hours: 9 AM - 4 PM

Marshy Point Nature Center Address: 7130 Marshy Point Rd, Middle River, MD 21220

Transport your sample(s) in a cool dark place (bag or cooler). Leave your sample and associated datasheet in labeled cooler in classroom. A CWW staff member will be onsite in the afternoon to assist with processing the samples on the two water quality machines.

Head through front door

Go through classroom door on the left.

Miss the drop-off window?

You can analyze the water samples yourself! There are a set of two machines in the cabinets at the far back. Look for the CWW sign and follow the step-by-step instructions in the binder.
