

Homework:
You are going to
design your very
Own river otter
exhibit to share

- ❑ **Large heading** that says “North American River Otters”
- ❑ **Part 1:** should show their adaptations (you can use your drawing if you like)
- ❑ **Part 2:** should show what river otters eat (you can be creative here, use props, stuffed animals, sculptures, or the drawing you made of the food web).
- ❑ **Part 3:** should show how we can use scat to figure out what otters eat using scat and scales (be creative)
- ❑ **Part 4:** Some sort of 3D element (sculpture, stuffie, shirt, etc.)
- ❑ **Conclusion:** Should talk about or show why river otters are important indicators of the Bay’s health and why we need to keep the water that they live in healthy.
